Unlock Infinite Possibilities Make Every Journey Exceptional

1. Featherlight and Hassle-Free

With a lightweight design at only 5.5kg with 630 x 460 x 610mm compact dimensions, it makes it easy to carry, store, and enjoy life on the go.

2. All-Terrain Wheels for Boundless Adventure

Enjoy steady traction on any surface with its 24" all-terrain wheels paired with mirror-finish stainless steel handrims for premium style and support..

3. Flexible Axle Adjustments

Unique rear axle design allows easy adjustment of 0-17mm wheel-to-fender spacing. It can adapt instantly for different tire configurations and riding conditions - without any tools required.

4. Frame Your Style in Titanium & Color

Choose your color - Night Black, Fiery Red, Sapphire Blue, or Moonlight White - and ride with confidence while showing your unique style.

Begin Your Extraordinary Journey With Ease and Confidence

5. Dynamic Postural Tuning

Instant seat and backrest reconfiguration provides custom ergonomic fit and helps improve posture and redistributes pressure for all-day comfort.

6. Infinite Height Adjustability for Every User

Wide-Range Footrest Height (0-80mm) lets users easily adjust to match different body types, ensuring optimal comfort and posture.

7. Cutting-Edge Carbon Fiber Build

With ultra-lightweight side guards and footrests for enhanced portability, making transfers and handling noticeably easier.

8. Lightweight and Agile Control

The single-arm fork structure enables a light and responsive steering, helping you move through the city streets with ease and confidence.
