**Passed crash tests for superior safety.
Delivers exceptional comfort all-day.**

1. Tested for Excellence

This wheelchair delivers top-notch shock absorption and durability. Capable of supporting up to 135kg. It's the only wheelchair in its class to pass rigorous Wc19 testing.

2. Lifetime Warranty Included

The swing-away footrest hanger comes with a lifetime warranty. Adjustable height and angle footplates allow effortless customization-perfect for any client or caregiver.

**Caregiver-friendly design for effortless handling.
Lightweight yet high-weight capacity.**

3. Hassle-Free Maintenance

This wheelchair makes servicing a breeze. You can adjust seat height, back height, and more in minutes using just one tool. Their low-maintenance design lets you get back to what you love faster.

4. Unrivalled Performance

Experience the difference with our ultra-lightweight folding wheelchair. Often imitated but never equaled. The professional's top choice for your comfort and ease of use.
