

EZ RAMP

LICHT

Ultra-Safe HDPE: Zero Odor, Eco-Friendly Choice.
Featherlight & Strong: Effortless Setup, Anywhere Access.
7 Blocks, Perfect Fit: Custom Height for Every Step

1. Unmatched Ramp Durability

Made from ultra-light, high-strength HDPE, EZ RAMP passed the rigorous 15,000-cycle with 500kg. Experience top-notch durability without the smell of traditional rubber.

2. User-Friendly Customization

With diverse specifications and adjustable heights EZ RAMP is perfect for indoor and outdoor use. Customize and splice sections to suit your specific needs.

3. Enhanced Weather Resistance

EZ RAMP is made from HDPE with UV resistance, making them waterproof and sunproof. Enjoy superior durability backed by a 3.5-year guarantee.

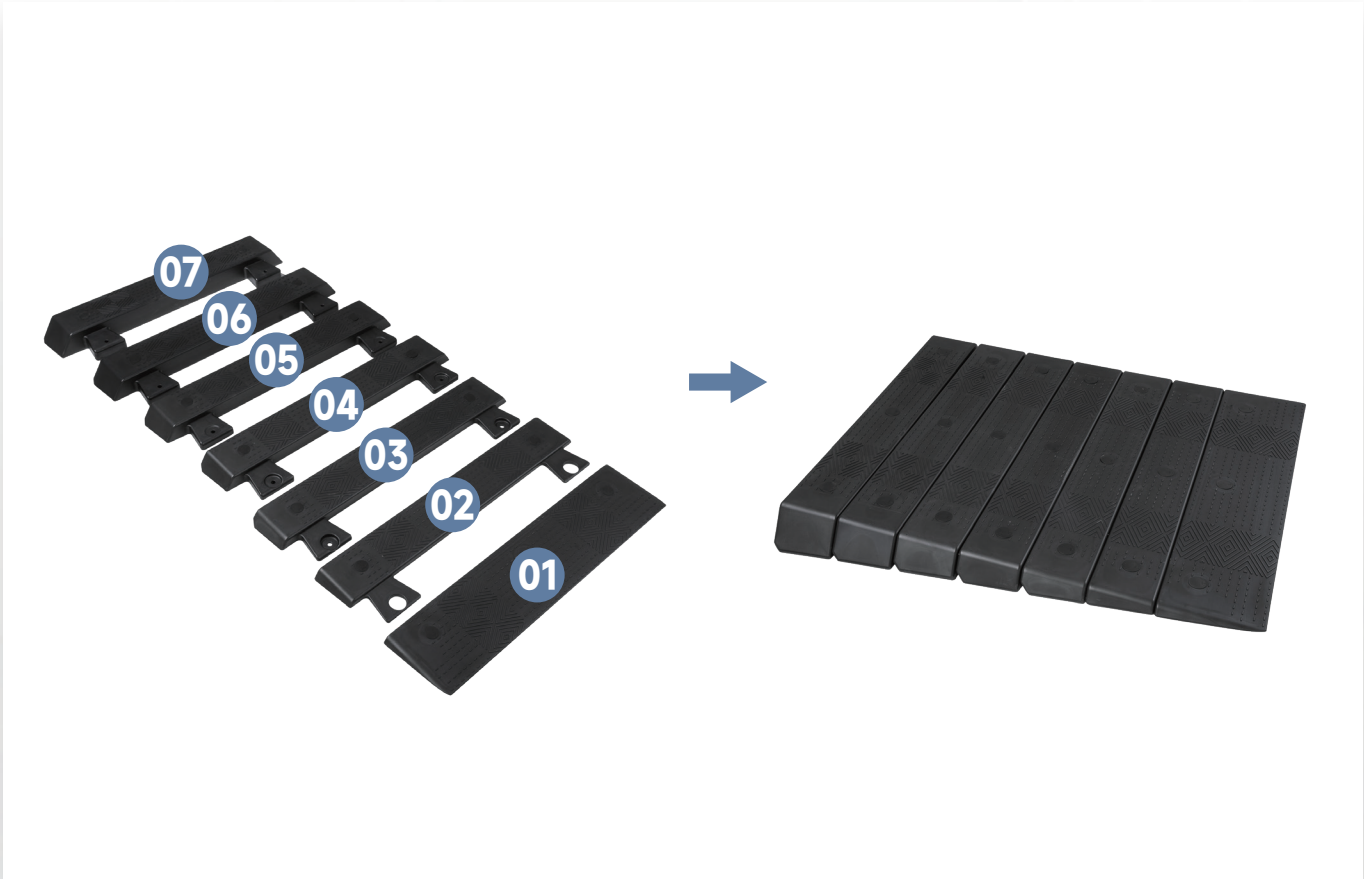

4. Slip-Resistant Design

With the EZ RAMP intricately carved surfacelines, you reduce the risk of landslides and falls. Enjoy a higher level of safety with every step.
